

Adare Pharmaceuticals Company Spotlight Presentation at BIO International 2016 Convention

San Francisco, CA, June 6, 2016 – Adare Pharmaceuticals, a global specialty pharmaceutical company, will present its company overview on Tuesday, June 7, at 1:45 PM, in Room 1, at the [2016 BIO International Convention](#). Hosted by the Biotechnology Industry Organization (BIO), this year's convention will take place June 6-9 at the Moscone Center in San Francisco, California.

Building on a foundation of innovation, Adare has a strong growth trajectory through growth of its marketed product portfolio, internal pipeline, and our expertise in adding value to existing molecules guides our acquisition strategy of targeted assets. Adare has more than 40 products incorporating its proprietary technologies that are commercialized around the world.

Through established partnerships, Adare continues to advance healthcare. To explore partnership opportunities, schedule a meeting with Adare at BIO 2016 through the [BIO One-on-One Partnering™ System](#), or contact Adare at BusDev@adarepharma.com. Learn more at www.AdarePharma.com.

About the BIO International Convention

The BIO International Convention is the largest global event for the biotechnology industry and attracts the biggest names in biotech, offers key networking and partnering opportunities, and provides insights and inspiration on the major trends affecting the industry.
